

Balgowlah Permit Parking Area

Information Sheet

Parking Scheme

Within the Balgowlah permit parking area vehicles displaying a valid permit may park without time restriction only in the streets signposted "1P Balgowlah Permit Holders Excepted" or "2P Balgowlah Permit Holders Excepted".

Who can apply?

The occupants of each rateable address (residential property) in this Permit Parking Scheme area are eligible to apply (see reverse).

How many permits may be applied for?

Each residential property may apply for up to four (4) residents' parking permits of which one (1) may be for a registered trailer. The number of permits issued to each residential property will be calculated based on the maximum of 4 permits minus the number of off-street parking spaces within the residential property. Off-street parking spaces include those spaces within car ports and garages.

For example: a residential property with a single off-street space would be eligible for up to 3 residents' parking permits one of which could be for a trailer.

A request for additional permits in exceptional circumstances only, may be made by written application to the General Manager. A replacement cost for lost or damaged permits applies.

Residential Properties

Whoever is living at a rateable property, ie the ratepayer or the tenants of that address may apply for parking permits under this Scheme.

Display of Permits

Vehicles

To be valid, all permits must be displayed in permit holders. Vehicles displaying expired permits or permits from outside the permit area will not be exempt from the sign-posted time restrictions.

Hanging Holder

When parked, place the valid permit in the holder so that the Council logo and permit area details are facing forward. Hang the holder from the interior, rear vision mirror, facing forward and outward. Ensure the permit details are visible through your windscreen from outside the vehicle. Always remove the holder from the rear vision mirror whilst driving.

Adhesive Permit Holder

All permits must be displayed in a Manly Council permit holder. Either peel off adhesive strips or press suction caps to adhere holder to lower passenger side of vehicle windscreen, near dashboard. Slip valid permit into the pocket in the holder. Ensure the Council logo and permit area details are facing forward and are visible through the windscreen from outside the vehicle. Permits can be removed from the holder when required, leaving the holder in place.

Trailers

A single residents' permit can be used on a trailer provided the trailer is a registered vehicle. The trailer's RMS certificate of registration at the property address must be supplied with the permit application. Trailer permits must be permanently affixed to the registered trailer in a suitable holder. Trailers displaying expired permits or permits from outside the permit area will not be exempt from the sign-posted time restrictions.

Where to Park

Vehicles or trailers displaying a valid permit may park without time restriction only in the streets signposted "1P Balgowlah Permit Holders Excepted" or "2P Balgowlah Permit Holders Excepted" within the Balgowlah permit parking area. These permits are not valid in any other on-street parking areas and are not valid in the Manly Council parking meters. Vehicles not displaying a valid Balgowlah parking permit must obey the time limits on the parking signs.

Vehicles displaying a valid Manly Council Designated Parking Permit may park for double the signposted time only in the streets signposted "1P Balgowlah Permit Holders Excepted" or "2P Balgowlah Permit Holders Excepted" within the Balgowlah permit parking area.

Changing Address

If you are moving to another address in Manly where a Permit Parking Scheme is operating, please contact Council to have your current permits voided and your new area permits issued. All permits remain the property of Manly Council and are not to be re-sold.

Expiry Date and Renewals

Permits operate over a twelve (12) month period. The expiry date is printed on each permit. Permits must be renewed prior to the expiry date to ensure infringements are not incurred. To renew your permits, please complete the appropriate application form and return it to Council. Holders should be re-used year to year.

Additional Information and Forms

For additional permits, application forms or further information on Council's Permit Parking Areas, please visit Council's website at www.manly.nsw.gov.au or telephone Council's Customer Service Centre 1 Belgrave Street, Manly on ph 9976 1500, fax 9976 1400 or email records@manly.nsw.gov.au.

Balgowlah Permit Parking Area

Where to Park

A registered vehicle or registered trailer displaying a valid Balgowlah residents' parking permit may park in a street signposted with the signs shown below for 24 hours a day, 7 days a week.

Examples of the Balgowlah permit parking area signs:

Pickworth Avenue

Cormack Street and Learmonth Avenue

Note:

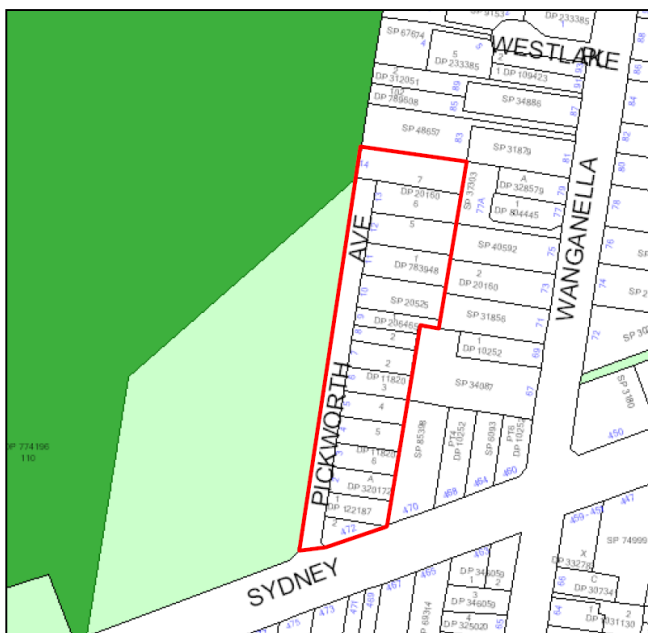

Balgowlah permits are not valid in any other permit parking areas. Vehicles not displaying a valid Balgowlah parking permit must obey the time limits on the parking signs.

Vehicles displaying a valid Manly Council Designated Parking permit are allowed double the sign posted time in the "1P Balgowlah Permit Holders Excepted" and or "2P Balgowlah Permit Holders Excepted" areas.
