QUESTIONS WITHOUT NOTICE

QWN Councillor Hay - Process for heritage listing of properties

Can the General Manager advise what the process is for properties being heritage listed? This question is asked in relation to a resident in Seaview Street who recently found out her property will potentially be heritage listed.

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Hay - Development Application for North Harbour Reserve

Has there been a Development Application lodged for the fencing proposal at North Harbour Reserve?

At the request of the Mayor, the General Manager advised that he is not aware of this DA in the system and has not authorised such a DA. The Mayor added that concept plans for the Reserve have been drawn up and placed on the website, however, this was not a DA.

QWN Councillor Heasman - Mowing the corner of Allan and Ponsonby Aves, Seaforth

Could Council please address the issue of regularly mowing the corner of Allan and Ponsonby Avenues, Seaforth. Since the removal by Council of a large street tree and replacement with two Lilly-Pillies, the elderly ratepayer is incurring additional costs in maintaining this area.

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Lambert - Path/roadway across Kangaroo Park

In response to concerns expressed by the users from Ivanhoe Park Precinct, could the General Manager please provide an update on his previous verbal advice that the recently installed, wide paved path/roadway across Kangaroo Park will be reviewed and either removed or reduced to the minimum width necessary as a footpath.

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Lambert - Process for input regarding annual

Could the General Manager please advise what, if any, process will be available to community members or representatives of Council Committees to address Council on the annual budget prior to its adoption by Council.

At the request of the Mayor, the General Manager advised that the management plan will be placed on display for 28 days. Submissions will be considered by Council and amendments included in the plan prior to adoption by Council. Council is still able to vary budgets throughout the year.

QWN Councillor Murphy - Name change of Ivanhoe Park to Ivanhoe Park Botanic Garden
What has happened to the name change of Ivanhoe Park to Ivanhoe Park Botanic Garden as resolved in a unanimous Notice of Motion in 2005?

At the request of the Mayor, the General Manager advised that there are plans to restore the park's landscape and that the name change may occur when the park has been restored.

QWN Councillor Morrison - Short term accommodation at 1 Sangrado St Seaforth
Can Council please follow up complaints made regarding the short term accommodation letting at 1 Sangrado Street Seaforth?

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Aird - Granting of busker's licence for Joe Hamilton (Honky Tonk the Clown)
Is it correct that a busker's licence was recently granted to Mr Joe Hamilton (known as Honky Tonk the Clown) after Councillor Norek, accompanied by Mr Hamilton, approached Council staff?

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Aird - Revoking of busker's licence for Joe Hamilton (Honky Tonk the Clown)
Is it correct that subsequently the busker's licence has been revoked and the matter referred to the police, due to complaints from members of the public?

At the request of the Mayor, the General Manager advised that this matter would be taken on notice.

QWN Councillor Evans - Vehicle access and maintenance in Kangaroo Park
Can Council outline how vehicle access in Kangaroo Park will be prevented and how they will restore/maintain the soft surface to Kangaroo Lane/Park.

At the request of the Mayor, the General Manager advised that Council is obliged to provide vehicle access to the three properties located on the border of Kangaroo Park.

QWN Councillor Norek - Cleaning of VIC toilets
Can the General Manager advise how often are the toilets below the VIC cleaned?

At the request of the Mayor, the General Manager advised that during Summer (from the first weekend in October and last weekend in March), two attendants are employed to clean the facilities, one for the male toilets and one for the female toilets. The toilets are regularly cleaned from 7am to 8pm.

QWN Councillor Norek - Review process regarding DAs

Can the General Manager advise the review options available for a resident if they are not aware of Councils decision regarding a Development Application?

At the request of the Mayor, the General Manager advised that Councils process is to provide a determination of DAs to all who made a submission regarding the DA. If an objector feels Council hasn't followed process, they can appeal under Section 123 of the Planning Act. If the matter is minor, Council staff will negotiate with the applicant and objector to amend the DA where appropriate.
